FROM: James A. Davenport, Executive Director

DATE: January 29, 1996

SUBJECT: **HB 2048**

This bill, if enacted, will require the Department of Education to make special accommodation in administration of the tests for teacher certification if the applicant:

- 1) has been employed by a local education agency for one year or more;
- 2) has favorable recommendations from the local board and local superintendent;
- 3) has a handicapping condition which adversely affects the applicant's ability to successfully complete the test;
